If you need another form, just print a second one — enter as many sponsorships as you like! If you are a business, your business can sponsor...it might be tax deductible!!!

Last year we had a very nice range of poems and topics — we received compliments from several non-PST entrants! We need to steer away from too many “any/any” contests and too many short forms (less than 5 lines). Be creative and inspiring — we are the Poetry Society of Tennessee!
